

Common District Derby Pitfalls

**THIS DOES NOT REPLACE READING
THE OFFICIAL RULES!**

• Race

- Car is overweight (e.g., > 5.0 oz)
- Weights reduce clearance or car does not meet dimension specifications
- Items added to car are not firmly attached
- All four wheels don't touch
- Wheels must be official and unmodified
- Front of car extends past starting peg

• Concours

- Car does not meet race specifications (e.g., too tall or too long); concours cars will undergo the same inspection as cars intended for race
